

# KC450-S8 Humidify Air Purifier

## Features

- True HEPA filter captures 99.97% of airborne pollutants; dust mites, pet dander, pollen and other allergens as small as 0.3 microns.
- Washable AOC Carbon Filter, made from activated carbon granulars for removal of household odors. Decibels 27.8 dB.
- Permanent filter to safely break down odor, allergens, chemical vapors and other pollutants with no harmful ozone
- Smart Sensors gauge the air and our Auto Mode adjusts the fan to filter the air as needed; with a sleep mode for silent night time operation.
- CADR rated for 360 square feet room size. Suitable for medium and large rooms; kids bedrooms, family rooms and kitchens

The KCvents S8 Air Cleaner; designed for any home environment and ready to capture dust, pollen, pet dander, smoke, mold spores, VOC (volatile organic compounds) and household odors. With a CADR (Clean Air Delivery Rate) rating from AHAM (Association of Home Appliance Manufacturers)

## 3 Stage 8 level Air Purification
